

WILD CHOIR

RE-WILD YOUR VOICE

SATURDAY FEBRUARY 16TH

10AM-1PM NEWTOWN FREE

OLDER WOMEN'S NETWORK NSW

Starting with simple improvisation games and warm-ups, we will explore different sounds that we can make with our voices and the natural percussion of our bodies. We will both experiment with our unique individual sounds, and work collectively, creating/composing short pieces using texture, timbre, and rhythm. We may even make up tunes – anything could happen!

No previous musical or improvisation experience required,
all are welcome.

If you have ever been told you can't sing, please come and join in
this will be different! Just bring an open mind
and willingness to experiment.

Ring 9519 8044 or email info@ownnsw.org.au to book a spot.
